

What Really Counts in Life

Philippians 3:1-9

A Reminder Worth Repeating (3:1)

➤ Remember to take time often to delight in the Lord, (life here on earth doesn't always work out like you planned).

A Warning Worth Heeding (3:2, 3)

➤ Don't let your joy in Jesus Christ be compromised by any teaching that would put a religious straight-jacket over the beautiful salvation you've received by faith in Christ alone.

A Testimony Worth Considering (3:4-7)

➤ Consider well the testimony of a highly credentialed religious leader who was radically transformed through a personal encounter with Jesus Christ.

A Savior Worth Knowing (3:8, 9)

➤ Join me in looking forward to a welcome in heaven based solely on the merits of Christ alone.
